Thanks for the call today Jeaneanne. Based on the conversation we had, EPA is agreeable to a conference call the week of September 24<sup>th</sup> so that our relevant personnel are available to discuss this issue. I haven't had a chance to check w/ staff yet but the following times would work for me:

Sep 25: anytime

Sep 26: 3pm or later

Sep 27: 11am-2pm or 4pm

Sep 28: anytime

I also gave Rick a heads up that Trey would be reaching out to him on this matter.

Jac,

Can you please call me about the Water Quality Standard Revision submitted on August 8. I need to discuss the proposed change with you. I also want to give you a heads up that I believe Trey is going to reach out to Rick on this matter.
